**Subject: Proceeding No. 15-149**

Dear Chairman Wheeler:

On behalf of the Fox Cities Chamber of Commerce, I am writing in support of the merger between Time Warner Cable, Inc., and Charter Communications, Inc. This merger will lead to faster internet speeds for this region, a better customer service experience for consumers, and good-paying jobs coming back to the U.S.

The new company, New Charter, will be able to expand digital service more quickly for consumers, in addition to providing high-speed service to rural and underserved areas. The Time Warner Cable facilities currently located in the Fox Cities will also potentially benefit from New Charter's commitment to bring back call center jobs from overseas offering more employment opportunities for the dedicated workforce in northeast Wisconsin.

I fully support the merger between Time Warner Cable and Charter Communications. If you need additional information, please do not hesitate to contact me. Thank you, in advance, for your consideration of this request.

Sincerely,

A handwritten signature in cursive script that reads 'Shannon Full'.
